WCRE ADDS VP OF CORPORATE STRATEGIES

Anthony Mannino to Aid Steadily Growing South Jersey Firm's Efforts in Pennsylvania

October 14, 2015 – Marlton, NJ – Wolf Commercial Real Estate (WCRE) is pleased to announce the hiring of Anthony V. Mannino, Esq., who will serve as Vice President of Corporate Strategies. In this newly created position Mannino will work closely with WCRE's sales professionals to spearhead the growth of the WCRE brand in southeastern Pennsylvania. He brings more than twenty years of experience in the legal and political arenas, as well as a unique, multidisciplinary perspective that will help WCRE clients identify potential obstacles and capture new opportunities.

Mannino comes to WCRE after nearly ten years serving as chief of staff to two members of Pennsylvania's General Assembly. Prior to his years of public service, he was a litigation attorney in the private sector for more than a decade, practicing in Pennsylvania and New Jersey.

"Tony Mannino has a deep understanding of the issues and key players that influence the real estate landscape in the region, having built numerous trust-based relationships with government and private sector leaders in both Harrisburg and Philadelphia," said Jason Wolf, founder and managing principal of WCRE. "He will be instrumental in forging new relationships on behalf of our clients and our sales force."

Mannino is WCRE's third hire in its effort to grow in Pennsylvania. One year ago the company hired senior vice president Lee Fein to open a King of Prussia office and establish an industrial practice. In the spring former Philadelphia Flyers star Brian Propp joined the firm as director of strategic relationships, with a special focus on supporting the office and retail practice areas.

Like his new colleagues at WCRE, Mannino has been an active supporter of many civic institutions in Philadelphia, from community associations to advocacy non-profits. He is currently a board member of the Philadelphia Regional Port Authority, and has served several other area boards.
