## BALASHINE PROPERTIES RESPONSE TO COVID-19

As new challenges arise, Balashine Properties is there prioritizing the health and safety of our employees and tenants.

Balashine provides the highest standard of customer service, and our focus is keeping buildings open and operable for our tenants to use as deemed appropriate and as permitted. Health and safety measures such as increasing the frequency of sanitation cleaning have been implemented and we remain focused on safety and following guidelines for social distancing.

**Appreciating buildings and the people in them**

### TOUCHLESS BUILDING ENTRY

Entrances to the building are touchless. Hand sanitizing stations are strategically placed throughout the building.

### PERSONAL PROTECTIVE EQUIPMENT

Tenants practice social distancing while in the building by wearing masks and avoiding close contact. Social distancing reminders are strategically displayed throughout the building.

### BUILDING CLEANING & MAINTENANCE

Harvest Point is continually cleaned throughout the day. HVAC filters have been upgraded, and inside air is exchanged more frequently.

### RESTROOMS

Tenants are reminded to wash hands often. All restrooms have touchless faucets, soap dispensers and paper towel dispensers.

### SOCIALLY DISTANCED OFFICE LAYOUTS

Partnering with furniture vendors to create safe and social distance work areas.
