Tenant/Guarantor Info

PINELANDS Recovery Center of Medford

Pinelands Recovery Center of Medford, as part of the Discovery Behavioral Health network, is widely known as one of New Jersey's finest, most respected addiction treatment facilities. Backed by a partnership with researchers at Rutgers University and hailed by media critics for highly successful results, the goal of Pinelands is to achieve long-term physical, mental, emotional and spiritual recovery.

Partnership with MAP Health Management

In 2019, Pinelands Recovery Center announced its partnership with MAP Health Management, the nation's leading provider of peer-recovery support services and data insights for people with Substance Use Disorders.

Formed in 2011, the MAP program provides peer recovery support services and clinical outcomes reporting to Pinelands to support the ongoing recovery of individuals who complete their treatment program. A hallmark of Pinelands program is to position each client for long term recovery – aftercare programs, alumni events and outcomes studies are part of this process.

DISCOVERY Behavioral Health

Discovery Behavioral Health, a national leader in evidence-based clinical treatment, is committed to providing the ultimate inpatient access, through a strategic mix of geographic locations and tiered pricing that makes life changing care affordable and accessible for the largest possible client base. Discovery continues to expand its footprint nationwide with treatment centers specializing in behavioral health, eating disorders, substance abuse and dual diagnosis.

Founded in 1998, Discovery Behavioral Health operates over 77 health centers across the country where it provides a range of services including inpatient detoxification, residential treatment, day treatment programs and intensive outpatient care. The center serve patients suffering from addiction, eating disorders, and general mental health conditions such as mood disorders, anxiety and trauma.
