MEDICAL CENTER

OFFERING SUMMARY

Wolf Commercial Real Estate (WCRE | CORFAC International), as an exclusive broker, is pleased to present a +/- 29,600 SF Medical Office investment opportunity at 9150 Marshall Street in Northeast Philadelphia, PA - NorthEast Medical Center.

This 75% leased asset offers investors stable in-place income alongside a clear value-add opportunity through the lease-up of approximately 7,600 SF of vacancy and the extension of tenants with near-term expirations. The asset features an overall average weighted remaining lease term of 4 years and 2 months, with active discussions underway to renew and extend existing tenancy. The anchor tenant, occupying 16,550 SF, is under lease through 2034, providing long-term income stability.
