

## Another Record Year of Giving: WCRE Foundation Raises More Than \$100,000 at 9th Annual Charity Golf Tournament

**MARLTON, NJ – July 9, 2026** The WCRE Foundation proudly celebrated another milestone year at its 9th Annual Charity Golf Tournament, raising more than \$100,000 to benefit local nonprofit organizations throughout the Greater Philadelphia and Southern New Jersey region.

Held on Monday, June 29, 2026, at Little Mill Country Club in Marlton, New Jersey, this year's tournament marked an exciting new chapter for the Foundation. The move to Little Mill Country Club elevated the overall experience, providing golfers, sponsors, and guests with an exceptional venue that reflected the continued growth of the event. Combined with beautiful summer weather, the tournament delivered an unforgettable day of golf, networking, philanthropy, and community impact.

The tournament welcomed more than 150 business leaders, clients, community partners, and supporters for a day filled with friendly competition, contests, raffles, and camaraderie. New this year, participants enjoyed an exciting Air Cannon challenge, adding another memorable experience to the course and enhancing the overall tournament atmosphere.

"This tournament continues to demonstrate what can be accomplished when our business community comes together to support organizations that make a lasting impact," said Jason Wolf, Managing Principal of WCRE and President of the WCRE Foundation. "We are incredibly grateful to everyone who contributed to making this year's event our most successful to date."

The success of the tournament was made possible through the leadership of Gabrielle Leonetti, Director of Marketing for WCRE and Vice President of the WCRE Foundation, who managed the planning, sponsorship coordination, logistics, marketing, volunteer coordination, and day-of execution of the event. Her dedication, along with the support of an outstanding volunteer team, helped create a seamless experience for golfers, sponsors, and guests from registration through the evening reception.

The WCRE Foundation extends its sincere appreciation to its incredible volunteers, whose time and commitment were instrumental in the success of the event:

- Grace Vera, Director of Property Management, WCRE
- Alicia Lukens, Property Accountant, WCRE
